96th International Assembly

Church of God of Prophecy

July 27–August 1, 2010

Greensboro, North Carolina

WELCOME FROM GENERAL OVERSEER

Welcome to every delegate and friend that has joined us for the 2010 International Assembly of the Church of God of Prophecy. I am expectant as I anticipate enjoying this Assembly through the focus of our theme, "Pursuing His Spirit." Most people know that we are living in the greatest outpouring of the Holy Spirit that the world has ever known. God has chosen this day to visit every continent with new fillings of His Upper Room Pentecostal fire. It is my prayer and expectation that in this Assembly, we will also be renewed, revived, and refilled with this fire as well.

I am especially excited as I think about key moments on the program this Assembly:

- Friday morning and evening as Dr. Jack Hayford shares with us in "Pursuing His Spirit"
- Thursday morning as Dr. Steve Land shares with us in "Pursuing His Spirit in Holiness"
- Saturday's Global Outreach Banquet aimed at "Pursuing His Spirit in Mission"
- Saturday evening as we "Pursue His Spirit to Reach the Young Harvest"

- Thursday evening as we "Pursue His Spirit in Global Outreach"
- Friday afternoon's Mission Encounter as we "Pursue His Spirit Around the World"
- Tuesday morning as we "Pursue His Spirit in Vision"
- Saturday afternoon when we "Pursue His Spirit in Miraculous Healing Power"
- Each morning as we "Pursue His Spirit in Prayer"
- Each evening as we "Pursue His Spirit in Harvest, Prayer, and Leadership"

These key moments are only a few of the opportunities we have during this Assembly to experience a fresh encounter with God's gift to His Church—the Spirit of God. Remember that God used Peter to declare, "In the last days ... I will pour out my Spirit ..." (Acts 2:17). It has been my observation that whatever God has for His people, this Church stands ready to seek and receive so that we may spread His Gospel more powerfully. Clearly, God's last days are upon us. Clearly, God is pouring out His Spirit. So let this International Assembly sound the clarion call that we of the Church of God of Prophecy will devote ourselves to "Pursuing His Spirit!"

Clearly,
God's last
days are
upon us.

Dr. Tom Renfro, M.D.

www.drrenfro.com

Dr. Thomas Renfro, a minister and Doctor of Geriatric Medicine and Internal Medicine in Coeburn, Virginia, was diagnosed with Mantle Cell Lymphoma in November of 1997. He was born February 7, 1955, in Norton, Virginia, to Ed and Mildred Renfro. Growing up, his parents were (and still are) active members of the United Methodist Church in Norton, Virginia. He graduated from J. I. Burton High School in Norton in 1973, and then he attended Clinch Valley College in Wise, Virginia (now known as UVA's College at Wise). He graduated from the University of Virginia in 1977 with a B.A. in Biology. He then attended the University of Chicago to become a Respiratory Therapist and in 1985, he became a Doctor of Medicine from the University of Virginia's School of Medicine. In June of 1997, Lymphoma had taken its toll on Dr. Renfro's body to the point he could no longer continue his practice. Reluctantly, he allowed himself to be placed on leave from the practice he had founded. After his healing on December 3, 1997, he spent most of his time and energy seeking physical restoration and spiritual growth. Finally, in November 1999, Dr. Renfro was released to go back to practicing medicine.

He has been able to share his story in more than 100 churches and pray for thousands of people. In 1999, he recorded a television series called *Avenues of Healing*. He has been on several regional television stations, declaring the love of God. Dr. Renfro wants people to know that when "all hope is gone," there is still Hope!

STEWARDSHIP MINISTRIES/MINISTERIAL SERVICES

New for this coming year: Visit the Stewardship Ministries booth to schedule a date for a clinic titled, **Wills—No More Procrastination** facilitated by Jan Couch. This clinic will be available for couples' retreats, pastors' conferences, and local churches.

A short presentation on the necessity of having a will, followed by a question and answer session, will be available. As the name implies, procrastination—the number-one obstacle to drawing a last will and testament—is eliminated. Laptops, technicians, witnesses, and a notary will be present to properly draw, print, witness, and notarize a proper will. You will walk away from the one- to two-hour session with a will in hand.

We have produced DVDs for assisting pastors with their retirement planning, compensation package, and satisfying tax requirements. Each DVD is a live presentation by Jan Couch and is approximately 30 minutes long. The titles are the following:

- *403(b) Retirement Plan for USA Ministers/Church-Paid Employees*
- *Pastors Compensation Package*
- *Pastors/Churches Tax Requirements—1040 Tax Form*

GLOBAL

OUTREACH MINISTRIES

Global Outreach Ministries helps to strengthen the diverse ministries of the Church of God of Prophecy in more than 130 nations by stimulating mission passion and giving in North America and countries around the globe.

Harvest Partners is the department that facilitates the spiritual, relational, and financial connections between churches in North America and other nations in the global network. Churches are encouraged to prayerfully select a partner nation for the mutual sharing of information and prayer needs, financial support and human resources.

One Child Fund is the ministry that allows churches and individual donors to support the Church's orphanage ministry in select nations. Orphans and needy children are cared for in a variety of places/environments including church-sponsored orphanages, members' homes, and non-church-owned facilities. Some of the neediest children in the world are being touched by this ministry.

Helping Hand Ministries is the giving channel for individuals who are passionate about global missions to meet all kinds of needs around the globe. Funds help with everything from vehicles for national leaders to take the gospel throughout their nations to the construction of buildings and supplemental support for church planters and evangelism.
